Gameplay Instructions

1. Upon begining the game, you will have 2 firetrucks, each spawning at different nodes
2. You can swtich between the two firetrucks using the button in the top left corner
3. Your aim to to destroy all enemy landmarks
4. If you run low on health or ammo, you can go to one of your bases and refill!
5. If both your trucks die, then you lose. If you destroy all the bases, you win!
6. Enjoy!
